Dear Councilmember Frye:

I wanted to respond to your December 18, 2007 memorandum concerning Internal Controls for DROP. It was addressed to me as "Mayor's Representative for SDCERS." You also copied the SDCERS Board of Administration.

I met today with David Wescoe, SDCERS Administrator, to discuss the memorandum. I asked him to provide you with his thoughts on the questions you asked in that document, and he agreed to do so.

Sincerely,

Anne Sawyer Knoll
